Subject: Final Approval of Permit Transfer, Amnor Energy Inc., Coyote Knolls Mine, S/023/0086, Juab, County, Utah

Dear Mr. Foot:

On August 16, 2011, the Director of the Division of Oil, Gas and Mining approved the replacement surety and reclamation contract for the transfer of the Notice of Intention to Commence Small Mining Operations (NOI) for the Coyote Knolls Mine from Desert Mountain Gold Inc. to Amnor Energy Inc. You are now solely responsible to conduct mining and reclamation as outlined in the approved NOI. Desert Mountain Gold Inc. is hereby released from any further reclamation liability under this permit.

You may at any time submit a notice to amend/revise any portion of the approved NOI. Please use form MR-REV-SMO/EXP located on the Division's web site [www.ogm.utah.gov/minerals](http://www.ogm.utah.gov/minerals). You may not implement these changes until you receive Division approval of the amended/revised NOI.

Thank you for patience in completing this permit transfer. Please refer to file S/023/0086 in any correspondence regarding this operation. If you have questions regarding this letter, please contact me at 801-538-5261 or Wayne Western at 801-538-5263.

Sincerely,

Paul Baker  
Minerals Program Manager
